**County Conventions to Be Held Saturday, July 16th—Republican  
Committee Arranges  
Preliminaries**

The Committee of the Republican party for the Ninth Congressional District met in the parlors of the Central Hotel at Maysville at 11 a. m. Saturday, June 11th, 1910. Present:

Hon. J. B. Bennett, Chairman.  
John D. Littlejohn, Secretary.  
Bath county—Sherman Gullett, Salt Lick.  
Boyd county—T. A. Field, Ashland.  
Bracken county—Edward McClanahan, Brooksville.  
Carter county—H. G. Hicks, Olive Hill.  
Fleming county—Howard McCartney, Flemingsburg.  
Harrison county—L. N. Munson, Cynthiaus.  
Lewis county—Harvey Parker, Vanceburg.  
Lawrence county—No representation.  
Mason county—A. M. January, Maysville.  
Nicholas county—H. B. Bryson, Carlisle.  
Robertson county—Robert Buckler, Mt. Olivet.

Rowan county—John Carey, Morehead.  
The Chairman stated the object of the meeting to be the selection of a time, place and manner for holding a convention to nominate a Republican candidate for Congress in the Ninth District.

On motion of Mr. Field of Boyd, the Republicans of the various counties were called to meet in mass conventions at the various county seats (Ashland excepted) on Saturday, July 16th, 1910, at 1:30 p. m., standard time, for the purpose of selecting delegates to attend a convention to be held at Maysville July 20th, 1910, at 10 a. m., standard time. Carried by a unanimous vote.

Mr. January invited the Committee to hold the convention at Maysville. Mr. Bryson of Nicholas presented Carlisle and a communication from Mr. O. F. Byron of Boyd presented Ashland. On call of counties Maysville received 10 votes and Carlisle 1. On motion of Mr. Bryson, Maysville was selected by a unanimous vote.

The basis of representation was made on the vote cast for Hon. William H. Taft for President in 1908—one delegate for each 100 votes or fraction over 50 votes cast at that election.

The Secretary was ordered to promulgate the call and cause same to be published in the various Republican newspapers of the District.  
JOHN D. LITTLEJOHN, Secretary.

The Committee meeting was one of the best attended and harmonious gatherings ever held in the Ninth District.

Besides Congressman Bennett and Arthur Bennett, his son and Secretary, there were present Hon. Robert Buckler and County Attorney Throckmorton of Robertson, Wyatt Insko of Carlisle, Editor J. T. Wilson of Cynthiaus, Supervisor of the Census for the Ninth District, and many others.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

The Children's Day exercises yesterday morning at the M. E. Church, South, were pleasing in character and very much enjoyed by the large assemblage present. The auditorium was prettily decorated with ferns, flowers and plants, and the program was varied and admirably carried out. The little folks, each and every one, acquitted themselves in such a creditable manner that it would be invidious to particularize.

### RARE COIN

Squire John W. Boyer of this city has an heirloom that has been in the family for 81 years. It is a half cent of the mintage of 1825, and was brought by his mother when the family removed from Pennsylvania to Ohio in 1829. The coin is a rare one from the fact that the half cent has been withdrawn from circulation for many years, and it is altogether probable that the issue of 1825 has entirely disappeared, with the exception of a few keep-sakes, such as the one now in possession of Squire Boyer.

CHAMP CLARK says he will be the next Speaker of the House. He means talker of the next House.—Commercial Tribune.

It looks to us like Mr. BRYAN is over-doing the matter of butting in where he is not asked.—Carlisle Mercury.

It is said that a person can get used to anything, and with your long experience with the thrifty WILLIAM JENNINGS, you've got to take what comes. BRYAN is a sort of HALLEY's comet sailing around in the political air, and about all we know about him is that he is nine-tenths gas and the other tenth brass.

WHEN the Hall of Fame is opened up in the new Capitol it will make a goodly showing of renowned Kentuckians. All the Governors' portraits will adorn the walls. These portraits are being done by different artists in the State.

EVERY working day in the year the lives of ten miners are sacrificed in this country in order that society may be provided with fuel. More than 3,000 men are killed annually in producing the Nation's coal supply of approximately 430,000,000 tons.

A Census Enumerator called at a farmer's house. This farmer has a son that in the neighborhood has the reputation of being half-witted, but he stays at home and has an idea of making money. This conversation occurred.

Enumerator—"Where is your father?"

Boy—"He ain't here. What do you want with him?"

Enumerator—"I want to take his census."

Boy—"No use to see him. He ain't got no sense. He pooled his tobacco."

## Clergyman's Son's Testimonial of Tuberculosis Cure

To neglect a cold, bronchitis, lung trouble or Consumption is dangerous. We all know how prone people are to deny they have Consumption. It is a flattering disease, and the sufferer is filled with bright hopes of improvement. Call Consumption by its own dread name—and then—take Eckman's Alternative, because it is effective in Tuberculosis. No one need doubt about it—there is plenty of evidence from live witnesses.

Amelia, N. Y., July 9, 1920.  
Gentlemen: Prior to Feb., 1918, I was located in Rochester, N. Y., suffering with LaGrippe, which developed into Tuberculosis. My physician gave me one month to live. I was having terrible night sweats and mid-day chills and losing flesh rapidly, having gone from 135 to 125 lbs. I coughed and raised continually and became so weak that walking a few feet exhausted me. On my return home, my regular physician gave me little encouragement. My father, who is a clergyman, heard of Eckman's Alternative and induced me to take it. The night sweats and chills disappeared, my cough became easier and gradually diminished and in a few days I developed an appetite, the first in months. I am now in perfect health, back to 135 lbs. I feel certain that I owe my life to Eckman's Alternative.

E. H. COWLES.  
Eckman's Alternative is good for all Throat and Lung troubles, and is on sale in Maysville by J. Jas. Wood & Son, and other druggists. It can also be obtained at or procured by your local druggists. Ask for booklet of Cured Cases or write for Evidence to the Eckman Laboratory, Philadelphia, Pa.

Near Lexington Mrs. Elizabeth Talbert, 35, divorced from her husband, took carbolic acid and died before a physician could reach her.

Mrs. Della Wood Lyon, daughter of Mrs. Cella S. Wood of this city, will sail for Europe next Thursday the 10th, for an extended tour of several months.

## BACCALAUREATE SERMON

The exercises of Commencement week of the Mayville High School began last evening with the Baccalaureate Sermon at the Christian Church, and the immense congregation, filling both auditorium and gallery, attested the public interest in the schools of the city. The sermon was delivered by the Rev. William Dunn Ryan, Pastor of the Church of the Disciples at Ashland, and was a very scholarly address. All the Ministers of the City Churches took some part in the service, and, with the splendid music, the first of the series of Commencement events was of especial interest.

## CANTRILL STRIKES BACK

Seventh District Congressman Declares Burley Society is a Salaried Aristocracy

Although Cantrill is going to be overwhelmingly snowed under for re-election to Congress in the Lexington District by Claude M. Thomas, yet the whisky lobbyist has his say thusly, replying to the Burley Society's arguments against him:

"They call me a demagogue. If I am I am not making the tobacco growers pay for my demagoguery. They fly into fury and denounce me before the world, and it has only been two days since they offered to withdraw their candidate and support me, even though they call me a demagogue, if I would support their pooling contract. Such inconsistency can only be explained by the fear of losing their jobs. It should be borne in mind that these gentlemen do not give all of their time to the tobacco growers for their salaries, but carry on their regular business as before.

## ENTHUSIASM VERSUS SALARY.

"If their salaries were cut off their enthusiasm for the poor tobacco grower would soon cease. Think of calling together fifty-four County Chairmen at \$500 per Chairman, nine Executive Committeemen, at \$2,000 per Committeeman, \$15,000 President, a \$3,500 Secretary and other officials too numerous to mention, for the sole purpose of denouncing one poor, red-headed demagogue.

## NOT PAID AS "BOSSSES."

"These are the gentlemen who as Committeemen denounce me for making a fight in behalf of the tobacco growers. Who is paying their salaries? I am, for one, and every tobacco grower who has tobacco in the pool. We pay these men to handle our tobacco and not to dictate Democratic nominees."

Commercial Tribune: "Dr. Ben F. Eckman of Covington is no longer officially connected with the staff of Speers Hospital in Dayton. Thereby hangs a story. It is said, that has been the cause of much comment in medical circles. According to statements made by heads of the institution last night there will be no further developments. Dr. Eckman declared he resigned, while the officials of the institution said that he was dismissed. In connection with the announcement there were rumors concerning a nurse who recently graduated from the hospital. Dr. Eckman gave as his reason for leaving the institution that there had been friction between the officials and himself."
